

Welcome

Dear Parent,

We are so glad to have you at Buford Elementary School. I think you'll find that the teachers and administrators at this school love one thing - your kids. It is common for the students at our school to be greeted by name by our administration and staff. Teachers go over and above the call of duty to make sure your student understands the material. People get involved to make sure that your child has a great year.

The PTO is an organization of parent volunteers and teachers working together to make Buford Elementary a better place to be. I hope you will take time to look through the events schedule and see how you and your family are welcome to participate in them and how the PTO is the best way to get to know other parents and to begin to feel a part of the community. Along the way, we hope you get inspired to volunteer - either in the school's academic programs or the PTO's special events.

We're here to serve the school, and that includes helping you to find your place, so feel free to ask the front desk how to reach us with any questions or suggestions.

We look forward to having a great 2010-2011 year with you!

Dear Parent,

We are so glad to have you at Buford Elementary School. I think you'll find that the teachers and administrators at this school love one thing – your kids. It is common for the students at our school to be greeted by name by our administration and staff. Teachers go over and above the call of duty to make sure your student understands the material. People get involved to make sure that your child has a great experience of academic excellence while at Buford Elementary.

The PTO is an organization of parent volunteers and teachers working together to make Buford Elementary the best it can be. I hope you will take time to look through the events scheduled for next year. You and your family are welcome to participate in them all. In fact, that is the best way to get to know other parents and to begin to feel a part of the community. Along the way, we hope you get inspired to volunteer – either in the school's academic programs or the PTO's special events.
