

**Do you know that BES has a before  
and after school childcare  
program?**

**We do! It's called Wolf Pack.**

Wolf Pack is a unique program that offers quality childcare, before and after school, to Buford Elementary Students.

The Wolf Pack Program operates on the school calendar, which makes life so much easier for parents. So, if school is in session, Wolf Pack will be open! This includes **Early Release Days** as well.

The normal session hours are as follows:

**Morning Session: 6:30am to 7:30am**

**Afternoon: 3:30pm to 6:00pm**

The current cost of Wolf Pack is \$15.00 a week for the morning session and \$30.00 a week for the afternoon session. There are no prorated amounts for students who attend fewer than 5 days.

*Wolf Pack is a program that runs solely on generated funds so the cost is subject to change.*

Wolf Pack offers the opportunity for your child to complete his/her homework, have a snack and play with their school friends in a safe structured environment.

Please contact Tracy Calhoun or Nicole McQuilken at (770) 945-5248 if you have further questions.

There will be more information regarding the Wolf Pack Program and how to register when you attend the information session and open house August 3rd.
