Dear Parent/Guardian,

I would like to take this opportunity to welcome your child to the Music Programs at Buford Academy!

As a part of our complete program we include the instrumental instruction of **RECORDERS** for **all 4th and 5th grade students**. Recorders are very similar to Flutophones and are instruments from the sixteenth century that were originally made of wood. Recorders are played by blowing air into a mouthpiece. Thus, for obvious health reasons, each student will need one of their very own. If your child does not already own a recorder, these may be purchased through the Music Department at Buford Academy for \$5.00 each. This is a discounted price for bulk orders, purchased directly from the manufacturer. If your child needs to purchase a new recorder, please send the completed slip at the bottom of the page along with the exact change to the Music Room in a sealed envelope with your child's name and homeroom teacher on the outside. **This fee is due by Friday, Sept. 2nd.** Students will be using the recorders throughout the 4th grade and 5th grade years at BA, as well as sixth grade band (for those who choose to join in middle school).

Thank you all so very much for your continued support of the Buford Academy Music Department!

Sincerely,

Gary W. Lenz
