

The Treble Clef

Happy New Year!

What a great first semester we had! I was so pleased with our performances and have received numerous compliments on our kids. As we look forward to this semester, watching the calendar closely will help all of us in the next couple of months as there are several "schedule bumps" upcoming this semester. (...not including any extra "snow" issues we may encounter!)

With that in mind, please make every effort to have your child in attendance at rehearsals as we prepare for our biggest night of the year....Arts Night! Thanks for helping us!

Concert "Do's & Don't's"

We have recently had a couple of issues at our concerts that I feel I need to address...

- ☑ Please **DO** all in your power to **BE ON TIME** to all performances with your child. Kids are very embarrassed when they arrive late or miss performances completely, and this reflects upon our entire group.
- ☑ Please **DON'T** allow your youngest children to wander freely or make excess noises during a concert. This greatly distracts our young performers and can affect the recordings we use for evaluations. If you have a very young child that may fuss or make noise during a song, please feel free to sit near the aisle or in the back so you can take them to the lobby if they become a distraction.

We are doing our best to make your child's Chorus experience the best and most professional it can possibly be. Thank you so much for helping us with these issues!

It's Winter Time!

Did you remember to "Winterize" your child?

We are already seeing a lot of sickness pass through the building. Please know that we are doing our best to make sure the kids are wearing their coats to the parent pickup line. Hopefully, together we can keep the kids warm and the illnesses away.

Coda (FYI)

- **Need a new Chorus Shirt?** We now have some brand new extras (\$20) in stock if your child needs a new one.
- Our **performance outfit** consists of the white BA Chorus shirt, tan khaki pants, black belt, black socks, and black shoes. All other accessories should be black as well (i.e. hair bands, etc.).
- Chorus shirts should only be worn for performances—NOT for every day school wear. Please help us with this.
- Please email me if you are not currently receiving emails. (Some of our addresses seem to be incorrect.)
- **Please mark your calendars NOW to reserve the date of our Arts Night concert on MAY 3rd!**
