

July 1, 2009

Dear 2010 Senior and Parent:

It is with great excitement and anticipation that we write this letter to you. We know it is hard for some of you to believe that you are seniors, and then again, there are probably some of you who thought this day would never get here. Regardless of how you feel, the 2009-2010 school year is quickly approaching. It is the administration's hope that you will make this the best year of your high school career! As you all have seen, we put a great responsibility on our senior class. The attitude of our school and the success we enjoy starts with our Senior Class! There is no reason that you should not make this the best year ever and make this Senior Class the best ever! **YOU WILL MAKE ALL THE DIFFERENCE FOR THE 2009-2010 SCHOOL YEAR.**

All of you know that we strive for Triple "A" Excellence at BHS. That is Excellence in Academics, Athletics, and the Arts. The Administration challenges you to make each of these areas the very best it can be. You are expected to set the example for our underclassman and at the same time, strive to reach a level of excellence never obtained at BHS. Work hard to make the ordinary EXTRAORDINARY!

There are many dates that you need to be familiar with as we begin the school year. Enclosed you will find these dates from the beginning of the year until the day that you graduate. Please take note of these dates and pay special attention to the ones that directly affect you.

Thank you and good luck,

David Watkins
