

Did you know.....

Senate Bill 226 also known as "Joshua's Law" was passed during the 2005 General Assembly. Beginning January 1, 2007, all 16 year-olds applying for a Class D driver's license are **REQUIRED** to complete an approved driver education course AND complete a total of 40 hours of supervised driving, 6 hours of which must be at night, with a parent or guardian's sworn verification that these driving requirements have been met.

Driver's Education will now be provided to all Buford High School students age 14 and up who have not already met this state requirement at no cost to the student. We will be offering classes before school, after school, and on Saturdays to accommodate the busy lives of our students. These classes will be provided through *GA Driving Coach* and available exclusively to Buford High School students. To enroll in a class, please fill out the included form with your class preference and return to the box in the office by **September 14th**. Classes will be filled according to how close the student is to obtaining their license and availability of space, so please tell us your first, second, and third preference on class time.

You will receive an email confirming the class in which you have been enrolled and a reminder the week before class begins. If you have any questions, you may contact Nancy Reeder, who will be our driver's education instructor, at nancykreeder@gmail.com or call 678-895-7009.
