PSAT/SAT SEMINAR
Buford High School
September 26
(SATURDAY ONLY)
Time: 9:00 AM - 3:00 PM

Receive a discount by choosing an ACT and a PSAT/SAT seminar.

Dear Students and Parents

Colleges require an ACT test score or an SAT score as one of the criteria for admission. The PSAT is the basis for the National Merit Scholarship. The SAT and the PSAT are basically the same test, with an essay section included on the SAT. We have arranged a five-hour seminar for each test that will allow your son or daughter to become more familiar with the ACT and the PSAT/SAT, and give them a chance to improve their scores. Your son or daughter could benefit from even a small score increase in the highly competitive college entrance selection process. Colleges also look at ACT and SAT scores when awarding scholarships and when inviting students to enroll in special honors courses and programs.

While repetitive practice testing is a good method of preparation, there is no substitute for a live, substantive seminar presented by an expert. Experience shows that students who take our company's ACT seminar achieve an average score increase of 1 to 5 points, and students who take our company's PSAT/SAT seminar achieve an average score increase of 5 to 20 points on the PSAT, and 50 to 200 points on the SAT. Of course, the individual score increase depends on the amount of time and effort that students spend working with the materials they will receive at this seminar.

The fee for the five-hour seminar is **\$79**, or a discounted fee of **\$150** for both an ACT and a PSAT/SAT seminar. By comparison, similar seminars may cost over \$500 when taken privately. Included in the seminar price are 18 to 24 practice tests and a comprehensive study guide. The essay portions of each test will also be covered in the seminars.

To take advantage of this opportunity you may enroll and pay on-line with a credit card at www.rmass.com or you may call toll-free **877-927-8378** for other payment options.

Students should bring two pencils and a calculator to the seminar. For Saturday seminars there will typically be a 45 minute lunch break and students will be responsible for their own lunches.

This is a seminar for students of all ability levels. Enrollment is limited so please register as soon as possible.

Sincerely,

Dr. Jim Minnihan
