Mission

The purpose of **Buford City Schools** is to empower all students to become critical thinkers, innovative problem solvers, responsible individuals, and productive citizens who are college and career ready.

Core Values

The mission of **Buford City Schools** will be accomplished through a commitment to live and work by the following core values that capture the beliefs of the system:

Excellence: The standard to which we aspire in all aspects of our work.

Character: The foundational integrity of our system.

Community: The moving force behind our school system.

Tradition: The rich history that fuels our mission.

Leadership: The factor that creates a student-centered climate and establishes high expectations.

Accountability: The expectation that all students and staff members will focus on efficient and effective processes.

Communication: The vehicle for all stakeholders to share ideas, concerns and suggestions through traditional modes of communication as well as digital media.

Security: The conditions that make our schools safe places for staff members to work and students to learn.
